Dear lovers of Bare Holidays,

Since 1987, we at **Internatuur** have been organizing holidays where freedom and relaxation come first — and we still do it with the same passion as when we began! Choosing the right destination can be tricky. That's why we personally visit every single location ourselves. Only then can we give you honest, first-hand advice, and help you find the place that truly fits you. That personal touch, listening, thinking along, and creating tailor-made experiences, is what makes Internatuur unique. Our loyal clients have appreciated this for many years. Whether you travel with a partner, family, or solo: together, we'll create a holiday that perfectly matches your wishes. You decide how you'd like to travel: your flight, car rental, transfer, or maybe an extra hotel night. Everything is possible, and we're happy to help you arrange it. We are the travel experts for naturists, but Internatuur is more than a travel agency: we are a **dedicated travel partner**. You can meet us at travel fairs, during presentations, or by appointment at our office. That's how we get to know many of our clients personally, something that makes our work so special and rewarding. We warmly invite you to get inspired by this flyer and our website. Who knows? You might just discover your next dream holiday!

Travel Fair & Internatuur Day 2026

You can meet us again in 2026! From **8–11 January 2026**, we'll be at the **Vakantiebeurs in Utrecht**, at the **Blootpleintje** (Naturist Square). Feel free to stop by for a chat, inspiration, and personal travel advice.

And... our **Internatuur Day** is back! On **Saturday, 21 March 2026**, we'll welcome you to **Flevo-Natuur** (Dutch Naturist Resort) for a full-day of encounters, presentations, a refreshing swim, a relaxing sauna, and a delicious lunch. Registration is required via info@internatuur.nl.

Cost: €20 per person, including day pass and lunch.

Singles Trip

Travelling alone? For some, it's wonderful; for others, less appealing. Our **singles trips** are designed especially for naturists who prefer to travel together with like-minded people. It's not a dating trip, but a relaxed and sociable way to share a unique holiday experience. In 2026, we'll be travelling from **19 September to 3 October** to **Ada Bojana (Montenegro)** and **Dubrovnik (Croatia)**. This trip sold out in just three days!

Camping Tour

After last year's success, we're organizing another **guided camping tour through France** in 2026 — with an all-new route! From **11 June to 3 July**, **Gert-Jan and Ineke** will take you on an unforgettable adventure. You'll find more information on our website.

Cruises: Freedom on the Water

Do you love sailing and freedom? Then a **naturist cruise** might be perfect for you!

From the impressive Great Nude Boat to smaller, more cozy ships. There's something for everyone. Discover all options online.

We've created this flyer with great pleasure and are proud to once again present our beautiful **nude gems**. The world map in the middle is, of course, still there, it was a big hit last year! On our website, you'll find detailed information about all our destinations. Scan the QR code to go straight to our site, where you can browse the complete Internatuur collection.

And there's even more good news: behind the scenes, we're working on a **completely redesigned website**.

It will go live in **January 2026** we hope, clearer, more user-friendly, and full of inspiration.

Feeling ready for freedom? Visit our website, choose your nude gem, and we'll take care of the rest!

Sunny regards,

Shanna & Christy-Anne
